

May 11 -14 2023 Happy Wanderers Campout

Bonelli Bluffs RV resort and Campground San Dimas California

Our campout was hosted by Ron & valeta Russell and Chris Traauger-Kathy had new Grand Baby duties. Everyone arrived on Thursday via the bump a thon 210 freeway. We had a total of 20 rigs. The weather was near perfect. Once again everyone marveled at such a nice park so close to home. Only an hour and a half from Simi. The trees provided almost as much shade as last year. I think everyone was happy with their spots. So we're going to keep them for next year. May 9-12-2023

Friday was on your own ride bikes or just relax. Eight of us played a round of golf at Mountain Meadows.
